

"POWERFUL MAGIC"

Music and Lyrics by Alan Zachary & Michael Weiner

Snow:

Good morning, friend
Oh my dear, there's something wrong
'Cause all my words
Are coming out in song
A rhythm stirs
Deep inside my soul
I'm saying things
In ways I can't control!

Charming:

Ahhh!
What's going on?
Someone cast a spell or curse
'Cause what I say
Is coming out in verse
My voice just soars
Had no idea it could
Now I'm singing out
And my, do I sound good!

What could be the reason?

Snow:

I think I know, my love
It's all because the wish I made
Upon the star above
With music in our hearts
We'll defeat the Evil Queen

Charming:

How?

Snow:

'Cause love expressed through song
Is a weapon like the Queen has never seen!

Both:

There's a powerful magic
When two hearts are one
A powerful magic
Bright as the sun

Charming:

Goodness will triumph
And evil's undone
When you dare to heed love's call

Both:

'Cause love is the most powerful magic of all.
It's a powerful magic
When two voices soar

Snow:

I'm ever more hopeful
For what lies in store

Prince Charming:

Nothing will stop us
No, not anymore
Watch the wish you made come true

Both:

That is what love and its powerful magic can do.
Feel the song inside our hearts
That is where the magic starts

Snow:

Oh, it grows with every note

Prince Charming:

Soaring sweetly from my throat!

Snow:

Every line ends with a rhyme

Both:

Don't know how, but it's sublime
With a melody so strong
How can go wrong?

With our powerful magic
We now have the means
'Cause love can defeat
Curses, potions or beans
And the unhappy ending
Let that be the Queen's
With our daughter's fate at stake
Seems we found a lucky break
Now let our song show the powerful magic
We can make!

"THE QUEEN SINGS / LOVE DOESN'T STAND A CHANCE"

Music and Lyrics by Alan Zachary & Michael Weiner

Evil Queen:

Mirror, mirror, on the wall
I'm tortured by some spell
Mirror, mirror, on the wall
Please save me from this hell.

Magic Mirror:

Snow and Charming made a wish
Now everything has changed.

Evil Queen:

Oh, great, you're singing, too?
This whole thing is deranged.

Magic Mirror:

A spell as strong as this
Won't be easy to defeat
Your curse might not succeed
With your kingdom singing songs so sweet...

Grumpy:

It's time to work, let's go
Not a thing to make me bristle
With a hi hi hi and a ho ho ho
I'll mine that mine and whistle!

Geppetto:

He's real and not a toy
There's a lifetime to enjoy
The happy things
He's got no strings
'Cause he's-a my real boy!

Jiminy:

Chirp-chirp-chirp-chirp
Chirp-chirp-chirp
Chirp-chirp-chirp-chirp-chirp!

Granny:

La la, princess on her way
La la, though I'm old and grey
Happy times are here to stay!

Snow & Charming:

Seems we found a lucky break
Now let our song show the powerful magic
We can make!

Evil Queen:

Enough! So... the Charmings think their love is
strong enough to defeat me?
Well, there's one thing they don't know...
Mirror, mirror / Could not be clearer
That love is a waste of time
I'm here to tell you
With love's magic spell
You cannot match the power of mine.
Once I loved and once I learned
Love is weakness
Love will leave you burned...

Down with love / Down with hope
Don't need blind faith / To cope
Or inspiring songs in my heart
Got the magic I need
For my darkest of deeds
Love at times can entrance
But love doesn't stand a chance.
Love doesn't stand a chance!

Mirror, mirror,

The time draws nearer / For me to enact my curse
Those happy feelings / That send them reeling
Will soon become the reverse!

Down with love / Down with hope
Don't need blind faith / To cope
Or inspiring songs in my heart
Got the magic I need
For my darkest of deeds
Love at times can entrance
But love doesn't stand a chance.
Love doesn't stand a chance!

Stole my shot at one true love
That's what she did to me
Now that little bitch will wish
She never ever knew me!

Down with love / Down with dreams
Down with goodness's schemes
Gonna rip the song right from their hearts
Got the magic I need
For my darkest of deeds
Watch my curse kill romance
Oh, love doesn't stand a chance
No, no, love doesn't stand a chance!

"REVENGE IS GONNA BE MINE"

Music and Lyrics by Alan Zachary & Michael Weiner

Hook:

My dear prince and princess
Your offer is meaningless
Don't give a damn 'bout your rank
The gold in your sack / Well, it isn't worth jack
I should make you fools go walk the plank
Your riches would fill other pirates with glee
But none of those pirates are me!

Pirates:

They're not he!

Hook:

Sing a yo ho / Keep your jewels divine

Hook & Pirates:

Yo ho

Hook:

And your manners refined
'Cause even more precious / Than rum in a stein
Is revenge, revenge, revenge
And it's gonna be mine!

Hook & Pirates:

Revenge, revenge, revenge

Hook:

Is gonna be mine!

Snow:

Revenge? On whom?

Hook:

Just wait for the second verse, love.

I've savaged and pillaged
And pilfered each village
My conquests I'm justly proud of
Each town that I plunder
I leave torn asunder
A pirate's life is one to love
And yet my heart's hardened as hard as a rock
Won't rest 'til I've skinned me a croc!

Hook:

Sing a yo ho / You can beg, plead and whine
But yo ho / You are wasting your time.
That croc got my hand
Wanna tear out his spine
Revenge, revenge, revenge
Is gonna be mine.
Revenge, revenge, revenge
Is gonna be mine.

Charming: (to Snow)

This is a waste of time. Let's go.

Snow: (to Hook)

Wait, you want revenge on a crocodile?
For taking your hand?

Hook:

Afraid he did more than that.
(sings)

Once I sailed toward a horizon
Where I might find happiness waiting
Until that croc destroyed my life
And filled me with hate unabating
Some say let it go, but I say hell no,
I'm finally on the right path
Soon the Dark One will feel
The fire of this pirate's wrath!

Snow:

Wait - did you say The Dark One?

Charming:

I think I know why you can't find him -
we have him in our dungeon.

Hook:

Bloody hell.

Snow:

Captain, if you give us safe passage
to the Queen's castle,
you've got yourself a Crocodile.

Hook:

Aye, luv. You've got a deal.
(to his crew) Have one last drink, mates.
Then we've got a date with destiny!

Hook: (sings)

Sing a yo ho
I'll slaughter the swine
Yo ho
Must be fate's design
At last our tales
Will again intertwine
Revenge, revenge, revenge
Is gonna be mine!
Oh, it's gonna be, oh, it's gonna be
Oh, it's gonna be mine!
Oh, it's gonna be, oh, it's gonna be
Oh, it's gonna be mine!

"WICKED ALWAYS WINS"

Music and Lyrics by Alan Zachary & Michael Weiner

Zelena:

Finally the moment I was hoping would come
The moment he would realize he chose the wrong one
There isn't any curse I could cast to match this feeling
The pain I knew when Rumple turned his back on my heart
At last will be Regina's when her life falls apart
Suddenly the future's looking more appealing
Once I was filled with rage / Now I'll enjoy the ride
It's so electrifying / Watching all her dreams denied

Oh, I will fly into tomorrow / My sister full of sorrow
Fin'ly paying for her sins
I'll smile, all the while she is crying / Inside she's slowly dying
Learning wicked always wins
Oh, evil may be powerful
But wicked always wins.

If Mom could see me now, she would ache with regret
'Cause she'd witness all the glory wickedness gets
She went and made Regina queen / And my blood boil
But that's all history / Time they all understood
What they call "green with envy" / I just call "looking good"

Oh, I will fly into tomorrow / My sister full of sorrow
Fin'ly paying for her sins
No strife / Her life was so enchanted
She took it all for granted
Now she'll dream of could-have-beens
Oh, evil may be powerful
But wicked always—

Wait, why just revel in her demise when I could use it to my advantage...

I'll give her a magic gift / To bring the Charmings down
When Regina stands victorious / I'll swoop right into town
When he learns the spell was mine
Oh, Rumple - he will see
He should have chosen me!

So I will fly into tomorrow / Delighting in her sorrow
As a better day begins
This time
Nobody's gonna stop me / No evil's gonna top me
Oh, wicked always wins
A happy ending will be mine
'Cause wicked always wins!

"CHARMINGS VS. EVIL QUEEN"

Music and Lyrics by Alan Zachary & Michael Weiner

Snow & Charming:

There's a powerful magic / When two hearts are one
A powerful magic / Bright as the sun
Goodness will triumph / And evil's undone
When you dare to heed love's call
'Cause love is the most powerful magic

Snow & Charming:
Of all!

Evil Queen:

Down with love / Down with hope
Don't need blind faith / To cope
Or inspiring songs in my heart
Got the magic I need / For my darkest of deeds
Love at times can entrance
But love doesn't stand a chance.
No no, love doesn't stand a—

Snow & Charming:

It's a powerful magic / When two voices soar
We're ever more hopeful / For what lies in store

Evil Queen:

Once I loved and once I learned
Love is weakness / Love will leave you burned

Snow & Charming:

Nothing will stop us / No, not anymore

Snow & Charming:

With our daughter's fate at stake
Seems we found a lucky break
Now let our song show the powerful magic
We can make!

Evil Queen:

Happy endings you will see
But the happy end will end with me!
Love doesn't stand / A chance!

Evil Queen:

Got you where I want you now / Your spell will soon be broken
Let us see how strong you are / When everything is spoken...

"EMMA'S THEME"

Lyrics by Alan Zachary & Michael Weiner
Music by Mark Isham

Emma:

Once I lived in darkness
Out there on my own
Left to brave the world alone
Everything seemed hopeless
No chance to break free
Couldn't hear the song inside of me...

Once upon a time
A song inspired them: be brave
They gave me up because my fate
Was as the one who'd save
The world from your dark magic
And the wicked things you do
They placed a song inside my heart
More powerful than you...

All the years of running
No, not anymore
I know what I'm living for
I'm no longer searching
Turns out all along
The answer was inside me with a song.

"A HAPPY BEGINNING"

Lyrics by Alan Zachary & Michael Weiner
Music by Alan Zachary, Michael Weiner, & Mark Isham

Emma:

Tomorrow is uncertain
Who knows what it will bring?

Hook:

But one thing is for sure, luv
With you, I have everything

Emma & Hook:

And happ'ly ever after
Is the way these stories go

Emma:

Used to think that's what I wanted
But now I finally know...

There's no storm we can't outrun

Hook:

We will always find the sun

Emma & Hook:

Leave the past and all its scars
A happy beginning now is ours.

Snow:

We celebrate together
A longtime wish come true

Charming:

What makes it even better:
Today our story starts anew

Regina:

Let villains cast their curses

Regina & Zelena:

We can overcome them all

Zelena:

If we all stand strong together

Henry:

There's no way we can fall

All:

There's no storm we can't outrun
We will always find the sun
Leave the past and all its scars
A happy beginning now is ours.
If we're facing endless night
Take my hand and join the fight
Past the clouds we'll find the stars
A happy beginning now is ours.

Na na na

Na na na

Na na na na

There's no storm we can't outrun
We will always find the sun
Leave the past and all its scars
A happy beginning now is ours.

All (Group 1):

If we're facing endless night
Take my hand and join the fight
Past the clouds we'll find the stars
A happy beginning now is ours!
A happy beginning now is ours!

All (Group 2):

...Facing endless night
...Come and join the fight
...Oh, we'll find
A happy beginning now is ours!
A happy beginning now is ours!
